Jackalberry tented Camp
Zambezi - Nkasa Rupara NP - Namibia

DESCRIPTION: Jackalberry Camp is situated in an exclusive concession inside the Nkasa Rupara NP (Mamili) situated 150km west of Katima Mulilo in the Zambezi Region (Caprivi) of Northern Namibia. The Camp is situated close to the banks of the Linyanti river and the fact that there is no fence will allow large mammals and other animals to roam freely in the vicinity of the Camp. This will enhance the sense of remote wilderness and adventure for the guests who will also experience the unique for Namibia and Caprivi, Okavango Delta like environment combining wetlands, woodlands and open plains.

The Camp offers 4 exclusive luxury tents and 1 double guide tent.

The rooms are equipped with side lamps, charging facility, in room bathroom, coffee/tea station, hot water and electricity are generated with solar power, offering a superb eco-friendly personalised safari experience. All rooms are made of customised large tents with average of 32.4 m, offering breathtaking views across the lagoons.

The main building is built around a huge Jackalberry tree and has first and second floors that houses the reception area, dining area, lounge and bar area. The second floor has spacious and comfortable lounge providing guests with an exceptional view of the surrounding while the ground floor hosts communal fire place for evening catch up.

The Camp enjoys its prime location which make a perfect base for Park experience and exploration. The activities offered at the lodge include, Game Drives, Boat Cruises and Night Drives.

Jackalberry Camp is certified and rated 5/5 from Namibia Eco Awards.

Wild Waters Lodges is a sustainable tourism orientated umbrella company comprised of 3 award-winning Lodges & Camps (Serondela Lodge, Nkasa Lupala Tented Lodge & Jackalberry Tented Camp). By providing exceptional safari experiences we are able to partially fund the protection and preservation of pristine land and existing wildlife populations, not to mention help create economic independence within local communities surrounding the lodges and camps.
