DESCRIPTION: Nkasa Lupala tented lodge is built on the banks of one of the many channels of the Kwando-Linyanti river system. This unique Namibian wetland paradise in the Zambezi Region (Caprivi), is commonly known as Mamili and was recently renamed Nkasa Lupala National Park.

The Lodge has 10 luxury Tents constructed out of steel, canvas and wood with proper doors and windows and en-suite bathroom facilities. A central main area with bar, dining room, lounge facility, kitchen, storage, office and view point is linked to the rooms through a network of pathways.

The lodge is totally energy self-sufficient for electricity and water heating by using solar panels and will serve as an example of sustainable construction and planning not only in the region but in Namibia as a whole.

The lodge and the Wuparo conservancy are part of the successful and award winning Namibian conservancy program. At Nkasa Lupala Tented Lodge be ready to experience a true Sustainable holiday.

The lodge is certified and rated 5/5 from Namibia Eco Awards and won the 2016 Sustainable Tourism Award.

Wild Waters Lodges is a sustainable tourism orientated umbrella company comprised of 3 award-winning Lodges & Camps (Serondela Lodge, Nkasa Lupala Tented Lodge & Jackalberry Tented Camp). By providing exceptional safari experiences we are able to partially fund the protection and preservation of pristine land and existing wildlife populations, not to mention help create economic independence within local communities surrounding the lodges and camps.
